This custom Hopewell Homes walkout 2-storey blends smart design with elevated finishes in a prime location. The main floor is filled with natural light, flowing from the living room into a generous dining area and then into a chef's kitchen with quartz countertops, Fisher & Paykel appliances, double ovens, and a five-burner gas cooktop. Lake views frame the entire space, making every gathering feel special. Upstairs, the primary suite offers a spa-like ensuite and a walk-in closet with custom organizers, joined by two more bedrooms, a full bath, and laundry. The finished walkout basement adds a large rec room, bedroom, and full bath with direct outdoor access. An oversized garage with attic storage and an epoxy-coated floor completes the home. Outside, SynLawn landscaping, a composite deck, and stamped concrete patio maximize outdoor living, while inside, West Elm lighting and shiplap accents bring a modern edge. Minutes from St. Albert with fast Henday and Yellowhead access.
